*Proceedings of the Madras Government, Public Works Department,
5th December 1865.*

No. 109. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department Public Works, dated Madras, 27th November 1865, No. 122 :—

From Agent and Manager Irrigation and Canal Company, No. 408, 17th instant.
To do. do. „ 268, 21st do.
From do. do. „ 426, 24th do.

1. I have the honor to forward, for the consideration of Government, the correspondence as per margin. The Agent, it will be observed, asks for sanction for travelling allowances for Mr. Badham, the Chief Accountant, on the same scale, viz., actual travelling expenses, and 5 Rupees a day for sundry expenses including travelling requisites, as that suggested for Mr. Henslowe himself, and in paragraph 5 of my letter No. 42 of the 28th June last, during his (Mr. Badham's) approaching tour through the Divisions for the purpose of investigating the state of the Stores and Accounts.

2. The Chief Accountant's tour has been approved by the Board of Directors, and it may be expected that much advantage will result from his examination of the Store and other accounts in the Divisions, which have for a long time been in an unsatisfactory state.

3. The Agent has not received as yet from the Board any communication regarding the scale of travelling allowances to be drawn by him when absent from Madras on duty, and such being the case, I would recommend that Mr. Badham be allowed to draw the allowances suggested by the Agent on this occasion, though they are perhaps rather higher than should be allowed were Mr. Badham likely to be frequently on tour.

No. 110. ORDER THEREON, 5th December 1865, No. 3,686.

ESTABLISHMENT, No. 8.

Under the circumstances explained the Government accede to the recommendation of the Consulting Engineer.
