No. 116. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 29th November 1865, No. 2,237:—

1. In reply to G. O. No. 3,479, dated 18th instant, I have the honor to state that a sum of Rupees 138 is provided in the List of Conservancy Establishments forwarded to the Government of India on account of water Distributing Establishments in the Malabar District, but no bills on this account have been submitted for the audit of this Office. It is probable the amount is charged to the Local Funds of the District. There are other Establishments in the 7th Division, not in the above List, paid from Local Funds, the particulars of which the Superintending Engineer has been requested to furnish, but has not yet sent me.

2. I have also to observe that the sum of Rupees 870 is entered in the above List as the cost of the Establishment in Ganjam, while only Rupees 618 are noted in the G. O., under acknowledgment.
