*Proceedings of the Madras Government, Public Works Department,
7th December 1865.*

No. 166. Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Marine Department, dated Madras, 30th November 1865, No. 4,074 :—

1. Referring to Proceedings of Government of the 15th instant, No. 246, I have the honor to inform you that a question seems to arise as to whether a Subordinate drawing 250 Rupees a month or upwards, and consequently entitled to cabin passage, is likewise entitled to a similar passage for his wife and family. An Officer, whether Civil or Military, has to defray the expense of passage for his family himself, and it seems a question whether a Subordinate Officer of a Department when granted a first class passage should not be required to do the same.

2. A case is now before me. The Government, in the Department Public Works, direct me to provide passage to Rangoon for an Upper Subordinate, an Accountant, 2nd Grade, his wife and six children. He draws 250 Rupees a month, and is therefore entitled to cabin passage. He is also entitled to passage for his family; but are they to be also provided with cabin passage.

Referred to the Public Works Department.

Under Secretary.

No. 167. ORDER THEREON, 7th December 1865, No. 3,715.

ESTABLISHMENT, No. 15.

1. The new Travelling Allowance Rules for the Public Works Department provide that "When Upper Subordinates are trans-

"ferred from one station to another, and are sent by suitable authority by private "Steamers or Vessels, the passages of *themselves and of their families* will be defrayed "by Government."

2. Mr. R. D. Hamilton, Accountant, 2nd Grade, whose case is referred to by the Superintendent of Marine, holds a position similar to that of an Upper Subordinate of the Public Works Department, and under the Rules in question is entitled to free passage for his family as well as for himself; and a first class passage being conceded to him under orders in the Marine Department, No. 246, dated 15th ultimo, the Government are of opinion that his wife and family have a right to the same.
