No. 21. Read the following Despatch from the Right Honorable the Secretary of State for India (Revenue), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 25th October 1865, No. 53:—

1. I have had under my consideration in Council, the Despatch from your Excellency in Council, in the Revenue (Land) Department, dated the 25th July last, (No. 13), in which you bring to my notice an arrangement which has been entered into for transferring the Byapakodur tank in Kurnool to the Irrigation and Canal Company.

2. The level of the canal is to be made sufficiently high for the irrigation of all the wet lands under the tank, and the Company are to provide Government free of charge with water for the area irrigated on an average of the last five years, the collection of the assessment remaining in the hands of your officers.

3. This arrangement is similar to that which was made in the case of the Nundial tank, noticed in my Despatch of the 28th February last (No. 10), and it accordingly has my approval.
