*Proceedings of the Madras Government, Marine Department,
7th December 1865.*

No. 11. Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George; dated Madras, 29th November 1865, No. 4042.

I have the honor to submit, and recommend for sanction, the accompanying estimate for repairs and additions required to the Light House column on Hope Island, amounting to Rupees 670.

2. The additions consist of a shed and small house for the accommodation of the head and other light-keepers, who are now located in huts built by themselves, where they suffer much discomfort during rainy weather and high tides. The Master Attendant at Cocanada has much difficulty in keeping the light lascars to their duties, and he attributes this to their being in different as to their retention in the service, in consequence of better accommodation not being afforded them.

3. The charges will be borne by the Port Fund.
