*Proceedings of the Madras Government, Public Works Department,
14th December 1865.*

No. 269. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Cannanore, 6th December 1865, No. 202:—

In the estimate for which a net sanction of Rupees 2,760 was granted in G. O. No. 430 of 13th February, a deduction of Rupees 1,000 was made, which is now found to have been excessive, as the wood work of the old building turned out to be much more decayed than was expected. Additional sanction is therefore requested to the extent of Rupees 480, to be met by savings on some other work to be hereafter reported, if that sum be not available from the Reserve.

No. 270. ORDER THEREON, 14th December 1865, No. 3,765.

CIVIL WORKS, No. 47.

1. Under the explanation which is afforded by the Superintending Engineer of the 7th Division, the Governor in Council sanctions the revised estimate, amounting to Rupees 3,240, for providing accommodation for the Currency Department in the Huzzoor Treasury buildings at Calicut in the Malabar District.

2. As there are no funds at the disposal of Government, Colonel Walker will provide the additional* amount required by transfers from other allotments.

* Rupees 480.
