*Proceedings of the Madras Government, Public Works Department,
18th December 1865.*

No. 334. Read the following letter from the Officiating Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Waltair, 7th December 1865, No. 2,023 :—

1. With reference to Government Order No. 3,617 of 29th ultimo, I have the honor to explain that I intended to provide the sum of Rupees 165, required for the construction of a bath-room to the Court House at Berhampore, from the current year's Budget allotment for "Agricultural" repairs—item, Ganjam District, 2nd Range, Rupees 5,050, and that I have apparently been misunderstood.

2. I therefore do myself the honor of requesting that the necessary transfer may be sanctioned from "Repairs" to "New Works."

No. 335. ORDER THEREON, 18th December 1865, No. 3,797.

ACCOUNT, No. 42.

The Superintending Engineer of the 1st Division will be informed that transfers of funds from one main head of service to another, as for example from *Repairs to New Works*, require the sanction of the Government of India, and that as the amount* which is required for the construction of a bath-room to

the Court House at Berhampore is very trifling, it seems unnecessary to apply for such sanction. Captain Beatty will accordingly provide the necessary funds in the manner suggested in paragraph 2 of the Order of the 29th ultimo, No. 3,617, submitting his proposals for the sanction of Government.
