*Proceedings of the Madras Government, Public Works Department,
19th December 1865.*

No. 343. Read the following Memorandum from the Quarter Master General, dated Fort Saint George, 5th December 1865, No. 11.546:—

From the Superintending Engineer, 5th Division, to the Quarter Master General of the Army, dated Salem, 27th November 1865, No. 43.

- 2 Plans.
- 1 Estimate.
- 1 Abstract Estimate.
- 1 Specification Report.

1. I have the honor to forward, for the approval of His Excellency the Commander-in-Chief, plans and estimates for constructing three additional blocks at the old Dragoon Barracks at

Bangalore, to fit them for occupation by a Regiment of European Infantry.

2. The positions of the new buildings are shown in the accompanying block plan. One will be in a line with the present barracks, and the other two in the centre of the barrack enclosure. The floors of the latter will be laid in steps, on account of the great slope of the ground. The new buildings are in design similar to the present barracks.

3. It is of importance that these buildings should be commenced as quickly as possible, as the present Infantry Barracks cannot be vacated and converted into Commissariat Godowns until sufficient accommodation has been provided for the Regiment elsewhere. To save time, therefore, I request if the plans and estimates are approved, they may be forwarded for the sanction of Government.

4. No funds are provided for these buildings in the Budget of the current year, but if funds can be granted for them the probable expenditure to the 1st of May would be 25,000 Rupees.

1. Approved, and forwarded to Government, Public Works Department, with reference to paragraph 3 of letter from Superintending Engineer, 5th Division.

2. The early commencement of these buildings is of great importance, and the Commander-in-Chief trusts that no impediment will be found to it.

MILITARY WORKS, No. 12.

No. 2,064, dated 18th July 1865.

1. With this letter the Superintending Engineer of the 5th Division submits, with reference to the Order marginally noted, a plan and estimate, amounting to Rupees 1,05,200, for the

construction of three additional blocks at the old Dragoon Barracks at Bangalore, to fit them for occupation by a Regiment of European Infantry.

2. His Excellency the Governor in Council sanctions the estimate, and grants authority for a sum of Rupees 20,000 being placed at the disposal of the Superintending Engineer, from the Reserve under "Military." A further allotment of

Proceedings of the Madras Government, Public Works Department,
19th December 1865.

Rupees 5,000, to make up the amount which is applied for in paragraph 4, will be granted later in the year.

3. These Proceedings will be reported to the Government of India in the next Tabular Statement.
