MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General, Head Quarters, Bangalore, 22nd November 1865, No. ⁹⁰⁰_{11,137}; to the Secretary to Government, Military Dept.

Forwarded to Government. The Commander-in-Chief recommends only such portion being pulled down as is necessary for safety, leaving the rest to be disposed of whenever the final appropriation of the Barrack is settled.

From the Officer Commanding Mysore Division, Head Quarters, Bangalore, 21st November 1865, No. 414; to the Quarter Master General, Head Quarters, Bangalore.

I have the honor to report, for the information of His Excellency the Commander-in-Chief, that a central portion of the roof of the western range of the European Infantry Barracks in the lower square recently fell in, fortunately causing no damage to the Troops. The Executive Engineer was immediately requested to report upon the building, and the occupants were at once removed from it at that Officer's suggestion. He now further reports that he considers the building to be "past repair," and recommends its being "pulled down after the Superintending Engineer's inspection of it next month."

ORDER, No. 4543, 12th December 1865.

Communicated to the Department Public Works.

2. Government will await the report of the Superintending Engineer on the buildings adverted to. It is observed, however, that the roof of the Barracks in question has been recently repaired at a cost of Rupees 21,500.
