**Proceedings of the Madras Government, Revenue Department,
14th December 1865.**

No. 86. Read the following Proceedings of the Board of Revenue, dated 2nd December 1865.

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated Vallam, 22nd November 1865, No. 380 :—

1. I have the honor to submit herewith, for the sanction of Government, an estimate, amounting to Rupees 4,050, for forming a cross-road from Pulienjeri on Road No. 2, to the Colloeroon via Tiruperumbian. The road is entered in the supplemental Budget of the District Road Fund for 1864-65, with an estimate of Rupees 2,000. The Mirasidars, who will be chiefly benefited by this cross-road, came forward with a voluntary subscription of Rupees 2,100, and requested that this sum might be doubled by an equivalent grant from the Local Funds, and a cross-road formed for them. The sum of Rupees 2,000 was accordingly entered in the supplemental Budget of 1864-65, but the work, however, was not carried out in that year.

2. The Mirasidars concerned now pray that it may be carried out, and I beg accordingly to request that the Board will be pleased to obtain the sanction of Government to the estimate in question.

3. The sum of Rupees 2,000, proposed to be laid out from the Local Fund, may be met from Rupees 12,401* alluded to in paragraph 2 of my letter to Board, dated 28th October 1865, No. 349, as the unexpended balance of 1864-65, required for expenditure in the current year.

Rather than cause any delay in the execution of a work for which the parties interested have so liberally subscribed, the Board resolve to request the special sanction of Government to the estimate submitted by Mr. Morris, and to a grant of Rupees 2,000 from the Local Fund, as proposed in the closing paragraph of the Collector's letter. In future, however, the Collector should be careful to include in his Budget estimates, either original or supplemental, all the proposed expenditure of the year from Local Funds.

No. 87. ORDER THEREON, 14th December 1865, No. 3,023.

Local Funds, No. 3.
Civil Works.

1. Sanction is accordingly granted for the estimate submitted with these Proceedings. Funds will be provided in the manner proposed by the Collector and supported by the Board.

2. The Government notice with pleasure the liberality of the Mirasidars in volunteering a contribution of Rupees 2,100 toward making the road in question.
