Proceedings of the Madras Government, Revenue Department, 16th December 1865.

No. 119. Read the following Proceedings of the Board of Revenue, dated 30th November 1865, No. 7,664.

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated 19th October 1865, No. 221 :—

1. With reference to the Board's communication, dated 21st August 1865, conveying Government Order, No. 1,914, dated 17th idem, I have the honor to forward, as directed in the third and fourth paragraphs of the said Government Order, a reduced estimate, amounting to Rupees 104, for putting up five blinds to the verandah of my Cutcherry, and a plan of the Talook Cutcherry at Bellary, (received from the Superintending Engineer yesterday,) shewing where the new railing is proposed to be placed, and how the records have hitherto been lodged.

2. As regards paragraph 2 of the Order alluded to above, I would observe that my office is never crowded. When prisoners are under trial, or parties to a revenue case are being examined, they stand in the covered verandah by the doorway; the Clerk who takes down the depositions remaining inside the room, and at present one door of the office has daily to be shut to keep out the high wind.

3. The question raised in paragraph 6 has already been answered in my letter of the 9th instant, No. 207.

ENCLOSURES Nos. 1 and 2.—Estimate and Plan.

1. Submitted to Government with reference to their Orders, dated 17th August 1865, No. 1,914, and 7th November 1865, No. 2,710.

2. The Collector's letter, alluded to in paragraph 3 of his present communication, is already before Government.

No. 120. ORDER THEREON, 16th December 1865, No. 3,040.

Miscellaneous. The reduced estimate for Rupees 104, is sanctioned.
