*Proceedings of the Madras Government, Public Works Department,
22nd December 1865.*

No. 458. Read the following letter from the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 18th December 1865, No. 1,962 :—

1. With reference to G. O. No. 3,754 of the 12th instant, I have the honor to request you will be good enough to return to this Office, the plans, report, and estimate, for constructing a Jail at Madura, submitted with letter No. 1,614, 31st October 1864.—*Vide* G. O. No. 3,482, 6th December 1864.

2. In paragraph 8 of the Government Order, Judicial Department, No. 877, of the 16th June 1865 (communicated to this Office on the 3rd July 1865, No. 1,855), a Central Committee was appointed at the Presidency to settle the plans of the Central Jails, and as it seems to me probable, that important modifications may have been recommended by the Central Committee, I shall be much obliged if you would furnish me with two copies of a revised plan for either of the Central Jails. I should then have material assistance towards altering the plan already prepared for Madura, and also for initiating the plan for the smaller Jail for Tinnevely. If you could also give me any detail drawings to accompany the general design, they would be of much service; and probably obviate the necessity of subsequent correction.

No. 459. ORDER THEREON, 22nd December 1865, No. 3,855.
