*Proceedings of the Madras Government, Public Works Department,
3rd February 1865.*

No. 63. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E.,
Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Masulipatam, 25th January 1865,
No. 123 :—

SIR,

1. Referring to G. O. No. 2,579, dated 6th September 1864, I have the honor to report
that estimates, amounting to Rupees 40,310,
were prepared several months ago for the
improvement of the Military building in the
Fort of Masulipatam, with a view to afford
suitable accommodation for 150 European
Soldiers, with the complement of Officers. These estimates, which were submitted to the
Quarter Master General of the Army soon after the cyclone of 1st November, were returned
duly approved by His Excellency the Commander-in-Chief.

Alterations of buildings	...	...	...	Rs.
Compensation	...	...	...	18,970
				21,340
				40,310

2. As the disaster that has lately occurred at Masulipatam must have seriously affected its
condition, as a Military station especially for European Troops, I refrain from submitting the
estimates to Government without further instructions. In any case I conclude that the proposed
improvements will not have to be carried out during the next official year; and that the allot-
ment proposed for expenditure in the Budget
Statement,* which have been submitted from
this Office, will be struck out.

* For 1865-66.

No. 64. ORDER THEREON, 3rd February 1865, No. 315.
Communicated to the Military Department, with reference to the orders in that Depart-
ment, No. 647, dated 24th February 1864.

Secretary to Government.
