*Proceedings of the Madras Government, Revenue Department,
11th January 1865.*

No. 93. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 27th December 1864, No. 1,161:—

SIR,

1. I regret to have to bring to the notice of Government the most continued and systematic neglect of his duties on the part of Mr. Sperschneider, Overseer in charge of the Madura District.

2. All his reports and returns are invariably sent in a month or more after they are due; there is less work in his District than in any other, and there is no excuse for the constant delay that occurs, and all the returns from the Central Office are delayed through his irregularity and neglect. I have most repeatedly cautioned the Overseer during the last year and a half, and have several times informed him that I should be obliged to bring his conduct to the notice of Government, but all without any effect; I must now therefore suggest that his services be dispensed with, so as to enable me to appoint a man who will give proper attention to his duties.

No. 94. ORDER THEREON, 11th January 1865, No. 41.

Forests, No. 3.

The Officiating Conservator will call upon Mr. Sperschneider for any explanation he may have to offer of his conduct, allowing him ten days for the purpose.

Secretary to Government.

To the Officiating Conservator of Forests.
