To

Captain R. W. Beddome
Asst Commr of Forests.

Sir,

I have the honor to request permission to use some of the Funds now at my disposal for Carting timber for the purpose of buying some handies and a few pair of Bullocks.

2. My reason for making this application is that Funds not having been allotted for this purpose in the Budget of the Current year, the Civil Paymaster or Accountant General may perhaps refuse to pass money spent in this way.

3. Last year I found little difficulty in hiring a sufficient number of Carts to bring all the felled timber out of the Forest but this year for some reason or other they are not procurable at least unless I raise the rates very much and even then it is doubtful I therefore wish to purchase and keep a few Carts of our own at work so as to be more independent. I want a few large strong Carts particularly to Cart out the heavy logs with as I find the Contractors
