*Proceedings of the Madras Government, Revenue Department,
4th March 1865.*

No. 35. Read the following letter from W. D. HORSLEY, Esq., Civil Service, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Adayar, 20th February 1865:—

SIR,

1. I have the honor to enclose an Official Memorandum from the Chief Assistant in charge of the Civil Paymaster's Office, and to solicit the orders of Government on the following points:—

First.—Whether I am entitled to the higher salary of Sub-Collector when on privilege and special leave?

Second.—When on leave do I draw the higher or the lower rate of fixed tentage?

2. Regarding the first point, in their Order dated October 1st, 1864, No. 1,818, Government directed that I might draw the full pay of the Sub-Collectorate of the Kistna District, thereby making me a full Sub-Collector in everything but in name.

3. The Civil Paymaster declines to pass me the full salary when on privilege leave, and half salary when on special leave of a Sub-Collector, because I was nominally a Head Assistant at the time, and therefore entitled only to the full and half pay of that grade.

4. In Sections 12 and 14 of the Leave Rules, it is stated that a Civil Servant when on privilege leave suffers no deductions from his salaries and emoluments, and when on special leave the absentee shall draw one-half of his salary and allowances.

5. I therefore urge that whatever may have been the designation of my office, I was by the Order of Government to all intents and purposes a full Sub-Collector, and that when on leave I was entitled to the allowances of an officer of that grade.

6. As to the second point, by a late Order of the Government of India I consider I am entitled to the higher rate of fixed tentage while on leave, as I kept up my tents during my absence and left them behind me at my station.

No. 36. ORDER THEREON, 4th March 1865, No. 463.
