2	Udayagiri in Udayagiri Talook. The entire emolument is Rupees 10 per month, or 120 Rupees per year.	Granted by Order of Government of India, 11th January 1851. To Syed Karimulla.	Granted for maintenance.	Syed Karimulla died on the 7th June 1859, original grantee.	Exclusive holder.	1. Hanifa Sahibabi, wife of the deceased Syed, age 50 years. 2. 1st son, Mohadin Sahib Khadari, age 22 years. 3. 2nd son, Syed Ahamd Sahib Khadari, age 21 years. 4. 3rd son, Syed Moham-med Sahib Khadari, alias Syed Hafiz Sahib Khadari, age 20 years. 5. 4th son, Syed Sha Abdul Khadar Sahed Khadari, age 18 years. 6. Daughter Badibibi, age 25 years. There are two Gorus of dry Inam in Udayagiri, yielding 2 Rupees a year.	The Government of India, in their Order dated 11th January 1841, having sanctioned the payment of pensions for the support of certain members of the late Udayagiri Jaghire-dar's family, Syed Karimulla, one of those members, is reported to have died on the 6th Jakkay Hizziri 1275, corresponding to 8th June 1859. In his letter dated 3rd February 1864, No. 18, Mr. Banbury, the Acting Collector of Madras, where the heirs of the deceased reside, states that the widow, daughter, and the 2nd and 3rd sons, have given Kypheys, expressing their desire to register the pension in the name of the widow. The eldest son is reported to have gone to Hyderabad.		

while the 4th son was absent at Udayagiri when the inquiry was held at Madras. But it appears the parties who gave Kypheys stated that they had the consent of these two persons also for registering the pension as above shown. Mr. Banbury further states that there are no heirs other than those specified in Column 7, and suggests that the pension may be continued in the name of the widow of the deceased.

The Tahsildar of Udayagiri, in his Arzi No. 65, dated 9th December 1863, reports that the 4th son appeared before him, and gave a Kypheys agreeing to the registration of the pension in the name of his mother. On the 26th April 1861, the four sons of the deceased addressed an Arzi to the Collector for the continuance of the pension in question. This Arzi was referred to the late Tahsildar for inquiry on 31st May 1861. But no inquiry was made, and through some mistake the Arzi was excluded from the file of unanswered Petitions, and the matter was lost sight of till November 1863, when a Takeed No. 39, dated 17th idem, was issued to the Tahsildar, whose reply thereto is dated 9th December 1863. As the parties were supposed to reside in Madras, a reference was made to the Collector of that District for ascertaining the date of Syed Karimulla's demise, and the particulars of his heirs. The final reply from the Collector was dated on the 6th September 1864, regarding the delay on the part of the sons in laying their claim they state in their Arzi of 1861, disburse to her the sum of Rupees 660, being the arrears due up to September, being a period of five years and six months from April 1859, the deceased having drawn his pension only up to March 1859.

Proceedings of the Madras Government, Revenue Department,
6th March 1865.

Ordered that this report be submitted to Government, with the Board's recommendation, under the circumstances stated by the Collector, the pension of Rupees 10 per mensem due to the widow of the deceased, with arrears from the date of his decease. The application for a renewal of the pension was made, it appears, within two years of the decease of the pensioner by his sons, but was overlooked by the Tahsildar, to whom it was referred for inquiry, thus lost sight of until 1863. This delay is very discreditable to the Collector's Office, explanation submitted is not satisfactory.

Mr. Dykes is requested to state by whose fault the application made by the claimants in 1861 was omitted from the list of unanswered Petitions.

Proceedings of the Board of Revenue, dated 16th January 1865, No. 915.

The following letter from W. E. JELlicoe, Esq., Deputy Collector of Nellore, to W. STON, Esq., Secretary to the Board of Revenue, dated 1st February 1865, No. 36:—

I have the honor, by desire of the Collector, to acknowledge the receipt of the Board's minutes of the 23rd December 1864, forwarding Official Memorandum, No. 174 of the 20th inst. to the Secretary to Government, requesting to report whether the daughter of the late Syed Kari Malla is married; if so, to whom, and also the circumstances of the case.

In reply I beg to state that from a deposition given by the Vakeel of Anifa Sahiba, the Pensioner, before the Sub-Magistrate of Nellore, it appears that Badibibi, daughter of the deceased, has been married twelve years ago at Udayagiri to one Saigad Shah Mansur Kadri, of these are now living with Anifa Sahiba at Madras; and that Saiyad Shah Mansur has no sort of employment or income.

It also adds that Badibibi is in receipt of a monthly allowance of Rupees 1-8-0 from the Government Agent at Chepauk, Madras.

Submitted for the information of Government, with reference to the Revenue Secretary's Memorandum, No. 174, dated 20th December 1864.

That the following letter be despatched.

From J. D. SIM, Esq., Secretary to the Government of Fort Saint George, to the Secretary to the Government of India, dated 6th March 1865, No. 472.

SIR,

1. I am directed to submit, for the orders of the Government of India, the accompanying correspondence* from the Board of Revenue, on the subject of the continuance of the pension of Rupees 10 per mensem enjoyed by the late Karimulla, a member of the family of the late Jaghiredar of Udayagiri in Nellore.

2. The pension is one of those sanctioned in paragraph 4 of the letter from the Government, in the Secret Department, dated 11th January 1841, No. 29.

3. Karimulla died on the 7th June 1859, and has left a family consisting of a widow, and one daughter in indigent circumstances. As the stoppage of the pension would be on the females, who are unable of course to earn their subsistence, I am directed to that sanction be granted for its continuance in the joint names of the widow and the deceased for their lives only, and for the distribution among the family of the deceased from the date up to which the deceased drew his pension.

Note.

The pension is only 10 Rs monthly. It is worth dividing among so many as 6 persons - so it is proposed to give it to the females.

I. D. L. probably I think the Govt might have a share with the widow & her son.

I should have been stated & thought, in the Tabular Report whether the daughter Badibibi is married; and if so, to whom; allow what the wife of the husband may be. The fact is, however, that her husband is now married, & a male child

with for the order of the Govt of India the accompanying communication from the Board of Revenue on the subject of the continuance of the pension of Rs 10 per mensem enjoyed by the late Syed Karimulla, a member of the family of the late Jaghiredar of Udayagiri in Nellore.

2. This pension is one of those sanctioned in para 4 of the letter from the Govt of India in the Secret Department dated 11th January 1841 No 29.
