*Proceedings of the Madras Government, Revenue Department,
7th March 1865.*

No. 84. Read the following Proceedings of the Madras Government in the Military Department, dated 28th February 1865:—

Read the following letter from Major C. H. DRURY, Acting Controller of Military Accounts, to Colonel H. MARSHALL, Secretary to Government, Military Department, Fort Saint George, dated 23rd February 1865, D.

SIR,

1. I have the honor to forward a letter* from the Deputy Quarter Master General, requesting the sanction of Government to expenditure for the supply of a Police guard of three men, required for the protection of the public buildings at Dowlaishweram, vacated by the Sappers and Miners, pending the decision of Government regarding the final disposal of the buildings.

* No. 1,961, dated 16th February 1865.

Rupees 234 per annum.

2. As the Police now provide for the cost of their services rendered to other Departments, the charge does not appear to be one which pertains to the Military Department.

3. The charge is small, and might be met from the "contingencies" of that Department, but the arrangement would not be in accordance with rule.

4. It is presumed that, as far as the measure could be carried out, it would be more advantageous that the huts of the Sappers should be sold standing for occupancy, if there are no material objections to such occupancy.

From Major E. J. LAWDER, Deputy Quarter Master General, (through Controller of Military Accounts,) to Colonel H. MARSHALL, Secretary to Government, Military Department, Fort Saint George, dated 16th February 1865, No. 1,961.

SIR,

1. In reference to paragraph 2 of Order of Government No. 647, dated 14th instant, I have the honor, by desire of His Excellency the Commander-in-Chief, to report that the Police authorities were applied to to take charge of the public buildings at Dowlaishweram when vacated by the Sappers and Miners, as they were on the 1st instant.

2. To supply the necessary guard, the Superintendent of Police at Rajahmundry reports that an extra establishment of three men will be required at the annual cost of Rupees 234; I am to solicit the sanction of Government to this expenditure, pending the decision of Government regarding the final disposal of the buildings.

3. I would beg to be favored with the early orders of Government regarding the disposal of the Sapper huts, whether they are to be sold for occupancy by tenants, and what are not sold, dismantled and the materials sold, as proposed in my letter No. 10,803, dated 29th November 1864.

4. The huts in question are the property of Government under the authority of Order of Government No. 4,291, dated 5th December 1859.

Referred, with No. 1,009, to the Judicial Department, with advertence to the remarks in paragraphs 2 and 3, and to the Revenue Department on paragraph 4 of the Controller's Report, in view to its being ascertained whether any objection exists to the disposal of the Sapper huts at Dowlaishweram in the manner suggested.
