*Proceedings of the Madras Government, Revenue Department,
10th March 1865.*

No. 150. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd February 1865, No. 189-8:—

SIR,

I have the honor to state that there are at present in the Settlement Department three Uncovenanted Probationary Assistant Directors, whose names and dates of appointment are given in the margin. It will be observed that

Mr. H. B. Addis.	} 4th January 1861.
Mr. E. V. Mayer.	
Mr. R. M. Embley.

two of them have served four years, and the third three years in the Department. When the Government, in compliance with Mr. Newill's recommendation, first sanctioned the creation of the several grades of Assistant Directors, it was determined to appoint two Probationers on Rupees 200 per mensem each, who, after being trained and instructed in the duties of the

Proceedings of Government, 1st December 1860, No. 2,289. Department, might be ready to fill vacancies in the upper grades. In the first instance, three or four Probationers were appointed, those in excess of the sanction being paid out of the salaries of Assistantships then vacant, and to Mr. Addis a salary of Rupees 250 was allotted in consequence of his being employed in the Wynad. It was not anticipated that a Probationer, in the event of his giving satisfaction, would be called upon to serve as such, more than about two years, the probability being, that within that period, the ordinary casualties and changes in the Department would afford opportunities for promotion. Had the former strength of establishments been maintained, I have little doubt that this would have been the case, but owing to the reduction which has taken place in the number of parties, and to the diminished strength of those retained, the anticipated opportunities have not yet occurred, and, looking to the prospective abolition of the Department, are not likely to occur hereafter. Under these circumstances, I venture to bring the cases of the three gentlemen abovenamed, all of whom have given satisfaction to the Officers under whom they have served, to the notice of Government, and I trust I shall not be considered unreasonable in recommending, that if, with reference to the recent orders in connection with the Department, it may not be considered advisable formally to promote them to be Assistant Directors of the 2nd Grade, they may at least be permitted each to draw, for the period that their services may still be required in the Department, the salary attached to that grade, viz., Rupees 325 per mensem. There will be no difficulty in meeting this charge from the Budget of the Department.

ORDER THEREON, 10th March 1865, No. 521.

Miscellaneous.

The Governor in Council is pleased to promote the three Officers abovenamed to Assistant Directorships of the 2nd Grade. They will draw Rupees 325 monthly so long as their services are required in the Revenue Settlement Department.

For Officers.

This seems only fair, but the arrangement cannot be made permanent, in face of the change recently ordered. These per them ev. if attached to any of the Colrs - as Mr. Rindale has been - with of course get such salaries as fit them the fit - mean- while get with perhaps consider their cases specially L.S.

It seems to me only just to raise the salaries of the three fulltime men in the maximum suggested. These men are in fact the only ones for whom a permanent arrangement can be made.
