*Proceedings of the Madras Government, Revenue Department,
14th January 1865.*

No. 130. Read the following Proceedings of the Board of Revenue, dated 23rd December 1864.
Read the following letter from H. G. SMITH, Esq., Acting Collector of Cuddapah, to W.
HUDLESTON, Esq., Secretary to the Board of Revenue, dated Wontimittah, 16th
December 1864, No. 160:—

SIR,

With reference to the Proceedings of the Board of Revenue, dated 14th September 1864, No. 6,079, I have the honor to forward a statement, affording the information called for by the Secretary to the Government of India in paragraph 1 of his letter to the Secretary to the Government of Madras, dated 19th August 1864, Circular No. 1,950, regarding the cotton cultivation, and the probable out-turn of the crop for Fusly 1274 (1864-65), and to state that the manufacture of the cloth by the natives of the District is very limited, owing to the high prices of cotton which is almost all exported from the District. The demand for English cloth is so great that almost all the people use them; while others purchase cloths manufactured in the District from the English thread. There is every prospect of high prices for the English cloth, if the present high prices of cotton continue. Most of the manufacturers of cloth have pursued other employments seeing that they cannot get their livelihood in their old profession.

Submitted to Government in continuation of Board's letter, dated 5th December 1864, No. 7,781.

No. 131.
