*Proceedings of the Madras Government, Revenue Department,
24th March 1865.*

No. 425. Read the following letter from the Municipal Commissioners for the Town of Madras, to Colonel H. MARSHALL, Secretary to Government, Military Department, Fort Saint George, dated Madras, 3rd March 1865 :—

SIR,

1. The iron wire fencing for the Fort Glacis and Esplanades, sanctioned by Government Order No. 382, dated 3rd February 1864, being now in course of erection, we desire respectfully to bring under the consideration of Government, the condition of the various buildings on the Esplanades which, in their present state, are very unsightly.

2. We would recommend the removal of the Cattle Yard, for which a site might be found behind Burghall's Stables, and the Pound, which will hardly be necessary when the Esplanades are all enclosed, as another exists near the Penitentiary.

3. The ruined sheds near the north gate of the Fort, and also the row of temporary leaf sheds facing the Evening Bazaar should be entirely removed, the occupants are, we believe, merely squatting tenants at will.

4. The water sheds and Police Tannahs should be put in thorough repair, and if possible, so altered in style as no longer to be an eye-sore.

Referred to the Public, Judicial, and Revenue Departments, and to the Barrack Master.

FORT SAINT GEORGE,
17th March 1865.

Secretary to Government.
