Secretary to the Board of Revenue

Madras

Sir

I beg that you will inform the Board of Revenue that on the 16th March 1863 I bought on account of M^r Claude Vincent, at a public sale held on that day at the Assistant Collector's office at Ottacumund, a piece of land measuring 45 acres, and that up to the present day I have ^{been} unable to obtain title deeds for the same, though at the request of the proprietor, for whom I am agent, I have repeatedly written to the collector of Coimbatore on the subject.

2^d The collector having sent me the title deeds for signature before sending them to the Board, I returned them to him, duly signed, on the 15th August last; my signature being, at his request, attested by one witness. on the 14th October he retransmitted them to me to have a second witness's name attached. in the course of a few days they were reforwarded to the collector, his request being duly complied with; and since then I have heard nothing more about the papers, except that they are awaiting the signature of the Board.

3^d I beg you will represent to the Board that, at the desire of the proprietor I am trying to dispose of this piece of land, and that I have found a native purchaser for it, but that he will not conclude the bargain until I can put him

in preparation of the title deeds, and that consequently I may take
this opportunity of effecting a sale if much delay takes place
in my receiving them; besides which, the daily expenses continue
to be borne by M^r. Vincent, so that every day's delay is an
actual pecuniary loss to him.

In consideration of the above reasons I beg you will solicit
the Board to sign the title deeds on as early a date as
possible and that you will then transmit them to the collector
with the view of their being made out to me.

Sir
Having received no reply to my letter of the 14th inst.
I am constrained to again write to you on the subject of the
extraordinary delay that has taken place in obtaining the
title deeds for the land I have bought two years ago for M^r.
Claude Vincent. —

As the collector has forwarded these papers to the Board,
and that they only require its signature, I beg that you will
express the serious inconvenience felt at their non receipt,
and that you will endeavour to have the needful done as
soon as possible.
