Secretary to the Government of Fort Saint George,

To

*The Commissioner for the Government of the Territories of

SIR,

Separate Revenue, No. 7.
Stamps.

1. I am directed by His Excellency the Governor in Council to inform you in reply to your letter, dated 8th March 1865, No. 4,624-30, that the Mint Master has been authorized to impress value Stamps on such water-marked

paper as may be forwarded to him from time to time under your orders, and to return the paper so stamped carefully packed up and under such arrangements as to safe custody in the transit, as you may deem it proper to make.

2. The Government infer from your letter that you purpose keeping your stock of water-marked paper in the care of your own officers. They consider it essential that it should not be in the keeping of the Mint Master or Superintendent of Stamps. When your stock is exhausted the Board of Revenue will be instructed to supply the Mint Master with any quantity you may require, on the written application of yourself or any officer to whom you may be pleased to delegate the duty.

I have the honor to be,

Sir,
