*Proceedings of the Madras Government, Revenue Department,  
19th January 1865.*

No. 164. Read the following Proceedings of the Board of Revenue, dated 14th January 1865.  
Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLE-  
STON, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Calicut,  
7th January 1865:—

SIR,

1. I have the honor to report that two fires broke out at Tanur, one on the 7th and the other on the 21st December 1864, destroying about a hundred and fifty houses, and property to the amount of about Rupees 35,000. Two lives were lost on the first occasion.

2. I am very desirous that the houses should be re-built with tiles. The people are quite desirous to do this, but having lost much by the fires they are unable to do so without assistance.

• Dated 5th instant, No. 1.

I send a letter\* from the Deputy Col-  
lector, Kanaren, on the subject. He suggests

that a loan of Rupees 5,000 should be given, re-payable in five years; and under the circumstances I would beg that this should be done.

3. If granted, a few simple conditions should be laid down, providing that security be given for re-payment of advances in five equal annual instalments; that the money be applied for the purpose it is advanced for within a certain time, &c.

Rupees 100 might be fixed as the maximum to any one person, or rather on any one house.

4. If the proposition is entertained, as I hope it may be, I solicit immediate orders, as building operations should be commenced at once to enable them to be completed before the monsoon.

1. Submitted for the sanction of Government.

2. The loan might properly be made from the Local Fund.

No. 165.

ORDER THEREON, 19th January 1865, No. 77.

Miscellaneous.

1. The loan is sanctioned on the conditions proposed by the Collector, who will further arrange that the houses shall be re-built with due regard to sanitary considerations.

2. The Local Fund cannot be applied to the purpose.
