*Proceedings of the Madras Government, Revenue Department,
21st April 1865.*

No. 236. Read the following Proceedings of the Board of Revenue, dated 12th April 1865:—

Read the following letter from Colonel T. THOMPSON, Agent for Remounts, to the Secretary to the Board of Revenue, dated Madras, 11th April 1865.

SIR,

1. I shall feel obliged by your obtaining the orders of Government for Mr. Barwell to proceed to the Remount Depot, and assist in putting together the new segments of a wheel to my Threshing machine, as well as to put together the "Drill" recently received from England.

2. Mr. Barwell's services will not be required at the Depot beyond about eight days, and as those will be non-working days, owing to the Easter holidays, there will be no delay occasioned in the work he has at present on hand.

Resolved that Mr. Barwell be permitted to accompany Colonel Thompson to Oosoor, on the understanding that he is to return to Madras on Thursday the 20th instant. The Board are unable to spare the services of Mr. Barwell for a longer period, as the Government are desirous that the Steam Plough should be put together with all expedition.
