To

Sir,
I have the honor with reference to G. O. No. 2236 of 10th August, specially to request that a 2^d Class Establishment may be allotted to the Subbant Range of Malabar, and a 3^d Class Establishment to the Quiver Range of Coimbatore. The work in the former, including that done from Income Tax Funds, is much heavier, living is more expensive, and competent men more difficult to obtain. With this allocation, I am confident the new arrangement will work well, and give great satisfaction to Range Officers.
