1. With reference to paragraph 2 of the foregoing Proceedings, it will be intimated to the Pension Department that there is no Uncovenanted Servant now employed on the permanent Establishment of the Public Works Department, and serving in a grade eligible to pension, whose designation is likely to lead to his services being hereafter excluded under Clause I., Section I. of the Revised Pension Rules.

2. The term "Maistry" is at present only used in cases of men temporarily employed as Foremen over gangs of Bricklayers, Carpenters, Laborers, &c.

Read the following Extract from a letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Fort William, 8th February 1865, No. 667.

Para. 2. With reference to paragraph 4, I am to suggest that either the designation of "Masonry" may be restricted to Artificers, or that, if it is more generally applied, an explanation of its particular meaning may be furnished in those cases in which it has some other signification than that of an Artificer.

ORDER THEREON, 21st March 1865, No. 102.

To be recorded.

Report of the Civil Paymaster --- (" 10th September 64 No. 113)

Order thereon 25th October 1864 No. 443

The Civil Paymaster's report shows that only eight years and two days of the applicant's service were passed in grades qualifying for pension viz from 17th October 1855 to 18th October 1863 his prior service in the grade of artificer being inadmissible.

2 The Government are therefore unable to grant applicant the pension recommended for him by the Executive Engineer in charge 5th Division, but they are pleased to admit him to the full gratuity of 12 months salary or Rs. 720 to which he is entitled under the Pension Rules.

*Proceedings of the Madras Government, Pension Department,
21st March 1865.*

Read again Proceedings of Government, Pension Department, dated 25th October 1864, No. 443,
and 21st March 1865, No. 102.

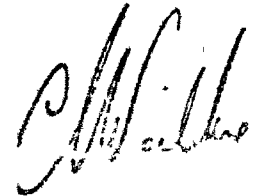

Read also the following letter from the Chief Assistant Civil Paymaster in charge.
(Here enter 8th February 1865, No. 245).

ORDER THEREON, 21st March 1865, No. 103.

Under the circumstances now brought to notice, from which it appears that the service excluded as that of Bricklayer Maistry was in fact that of general Superintending Maistry, the Governor in Council is pleased to pass to Moodookistna Moodelli a pension of Rupees 20 per mensem, to have effect from the 19th October 1863, in lieu of the gratuity passed to him in Government Order, No. 443, dated 25th October 1864.

2. Paragraph 2 of the letter from the Government of India will be communicated to the Public Works Department, with the remark that it would appear desirable that steps should be taken for altering such designations at present in use, as may lead to misapprehensions similar to that which has occurred in this case, and for providing that no person, whose services are not such as would exclude him under Clause I of the exceptions in Section 1 of the Revised Rules, should bear an appellation likely to lead to his service being excluded, at a distant period, when the possibility of learning the true state of the case may have passed away. It seems a point for consideration whether the designation "Maistry" should not be disused in all cases, except those in which servants actually employed in manual labour are referred to.
