*Proceedings of the Madras Government, Judicial Department,
11th April 1865.*

No. 95. Read the following letter from H. BIRDWOOD, Esq., Under Secretary to the Government of Bombay, to the Secretary to the Government of Fort Saint George; dated Bombay Castle, 15th March 1865, No. 634.

I am directed to forward the accompanying extract, paragraph 4, from a letter from Mr. A. F. Crawford, Registrar General of Assurances for this Presidency, and to request that you will, with the permission of His Excellency the Governor in Council, be so good as to inform this Government what course is adopted in the Madras Presidency in regard to the registration of Assurances, the registration of which is optional, and to which Government is a party.

Extract, paragraph 4, of a letter from the Registrar General of Assurances, dated 23th February 1865, No. 280.

4. I would also press for the decision of Government whether the registration of Assurances, the registration of which is optional, (and to which Government is a party) is to be the rule, or the exception? I am myself strongly of opinion that it should be the rule. It would encourage the public to resort to registration in similar cases, were it to see Government itself taking advantage of the Enactment, and in almost every instance the cost of registration would be borne by the opposite party.

(True Extract).

(Signed) H. BIRDWOOD,
Under Secy. to Govt.

No. 96. ORDER THEREON, 11th April 1865, No. 567.

The Governor in Council is of opinion that, both for the reasons given by the Registrar General of Assurances at Bombay, and for the better protection of the interests of Government, the registration of Assurances to which the Government is a party, and the registration of which is optional, should be the rule. He also considers that the provisions of Section 51 of the Act should be carried out, as respects such instruments, whenever they may be applicable.

2. Ordered that these Proceedings be communicated to the several Departments of the Secretariat.
