SIR,

With reference to paragraph 13, Chapter IV. of the New Code, I have the honor to forward the Bill for the work noted in the margin, executed in the Nellore District, and to observe that the Superintending Engineer, 2nd Division, states that the work was omitted from the Lists of Estimates submitted to the late Central Office, but was sanctioned by the Board of Revenue, apparently without the authority of Government, which is necessary as the work was entirely a new one.

1. The Bill is sanctioned.
2. The estimate for the work should have been submitted in the usual course for the sanction of Government.
