**Proceedings of the Madras Government, Public Works Department,
3rd April 1865.**

No. 14. Read the following letter from Lieutenant-Colonel T. GREENAWAY, Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 17th March 1865, No. 2,762 :—

SIR,

1. A charge of Rupees 5 was made in the Contingent Bill of the 5th Range, Tanjore, for December 1864, on account of the cost of two Record boxes provided for the Range Office by the Supervisor in charge at his own expense, with a view to reimburse himself with the sum on the Bill being audited. The Controller objects to pass this charge as it constitutes office furniture, and therefore is debitable to "Stores," but as there are no funds under this head from which the amount can be made good to the Supervisor, and as the necessity of providing boxes for the increasing records of an office is obvious, I beg to submit the matter for the decision and orders of Government.

2. The Supervisor reports that for want of an office tent he has to provide accommodation for his office while travelling, which puts him to much inconvenience. I have therefore the honor to request that a sum of Rupees 150 may be sanctioned for providing a tent for the 5th Range Office.

No. 15. ORDER THEREON, 3rd April 1865, No. 895.

ESTABLISHMENT.

1. The cost of the two Record boxes, viz., Rupees 5, adverted to in the foregoing letter, will be met from the balance remaining to the credit of the current year's allotment for the purchase of "Tools and Stores" in India.

2. Authority is granted for the purchase of the tent reported to be required for No. 5 Range in the Tanjore District, its cost being also met from the funds above-mentioned.
