Read the following papers :—

Memorandum from the Quarter Master General, Fort Saint George, 18th March 1865,
No. 3397; to the Secretary to Government, Military Department.

Forwarded to Government with the Commander-in-Chief's approval.

From the Officer Commanding Centre Division, Fort Saint George, 10th March
1865, No. 835; to the Quarter Master General, Fort Saint George.

I have the honor to submit for sanction, an approximate Estimate for building
a Verandah to, and making Ventilation in, the new Cook House, now being
erected for the Regiment in the Fort, both are urgently needed, to make the Cook
House Complete; without them the Soldier could not remain in the House to
superintend the Cooking, as it is so open, and consequently exposed to both sun
and rain, and there is no escape for the steam as well as a certain amount of smoke,
which must necessarily arise from the Cooking and fires.

ORDER, No. 1162, 25th March 1865.

Communicated to the Department of Public Works.

2. It is observed, that the Estimate being submitted for sanction, should have
been forwarded to the Superintending
Engineer for Examination and check,
under the Order of Government marginally noted.
