*Proceedings of the Madras Government, Ecclesiastical Department,
22nd March 1865.*

No. 22. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department; dated Madras, 13th March 1865, No. 6023.

ENCLOSURES.
2 Abstract Estimates, with specifications.
3 Plans.

Proceedings, No. 499, dated 19th February 1864.
Memorandum, No. 8, dated 3rd December 1864.

With reference to the Proceedings of Government as per margin, I have the honor to forward plans and estimates, amounting in the aggregate to Rupees 17,150, for making improvements to Saint Matthias' Church, Vepery, viz:—

	Rs.
1. For improvements and alterations to the building.....	14,700
2. Putting up new lights.....	2,450
2. The alterations, &c., include:	
1. Enlarging the Chancel.	
2. Erecting a chamber for the organ on the south side of present Chancel.	
3. Erecting a new Vestry on the north side of the present Chancel.	
4. Erecting a new Portico at the west end of the Church.	
5. Alterations to present Vestry and Staircase rooms.	
6. Removing Gallery.	
7. Putting up Chandeliers, &c.	

3. The Venerable the Archdeacon and the Trustees of the Church have countersigned the plans, in token of approval, but the work is not entered in the Budget lists just received from Government; and as a sum of only Rupees 3,500 has been entered in Part II, original works, under the head "Ecclesiastical" (for building a Church at Ganjam), I fear the work will have to be deferred, unless the Government can give the amount from the Reserve of 1865-66, in which case special application will be made early in May next.

Referred to the Ecclesiastical Department. Funds cannot be made available before 1866-67.
(Signed) C. A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

CHEPAUK, 15th March 1865.

No. 23. ORDER THEREON, 22nd March 1865, No. 79.
As no funds will be available for the work referred to in the foregoing letter during the ensuing official year, it must be postponed until 1866-67. It will be entered in the Budget for that year.
