*Proceedings of the Madras Government, Public Works Department,
5th April 1865.*

No. 65. Read the following letter from Captain G. M. PAYNE, Executive Engineer in charge of Superintending Engineer's Office, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madura, 21st March 1865, No. 2,936:—

SIR,

1. During the absence, on privilege leave for three months, of Major Paxton, Executive Engineer, Tinnevely District, Supervisor McNair was placed in charge of that Officer's Range, and continued to do the work connected with the Range until the return to duty of Major Paxton.

1 Copy of letter.

2. On the strength of Circular from the Controller of Public Works Accounts, No. XXVII., dated 30th January 1865, Supervisor McNair claims deputation allowance for the extra work imposed on him, his claim being considered good by Captain Moberly, Superintending Engineer, 8th Division.

3. But the Controller Public Works Accounts refuses to pass the Bills for the extra allowance, stating (*vide* accompanying copy of letter No. 2,713 of 15th March 1865) that the Circular above quoted does not in any way apply to appointments held by Subordinates.

4. The Controller, however, states that to entitle a Subordinate to deputation allowance the sanction of Government should first be obtained, and such being the case, I have the honor to request that the retrospective sanction of Government permitting Supervisor McNair to take charge of Major Paxton's Range, during the absence of the latter Officer on leave, may be obtained.

Vide G. O. No. 330, 1st February 1864.

No. 66.

ORDER THEREON, 5th April 1865, No. 920.

ESTABLISHMENT, No. 9.
