**Proceedings of the Madras Government, Public Works Department,
6th April 1865.**

No. 99. Read the following letter from Captain G. M. PAYNE, Executive Engineer in charge of the Superintending Engineer's Office, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 31st March 1865, No. 3,027 :—

SIR,
1. I have the honor to request permission of Government to expend Rupees 1,800, from the Discretionary Allowance of 1864-65, on the repair of the Trunk Road from Trichinopoly to Palamcottah within the Madura District, in addition to the maintenance allowance of Rs. 12,000.
2. The road in question has suffered a good deal from the long drought, and fresh material

is much needed for its preservation. The maintenance allowance of Rupees 12,000 has already been represented* as being insufficient to keep this important line in proper order.

* Letter from Superintending Engineer, 8th Division, to Secretary to Government, Department Public Works, No. 2,714, dated 3rd March 1865.

No. 100. ORDER THEREON, 6th April 1865, No. 938.

ACCOUNT, No. 13.

Under the circumstances explained, the Governor in Council authorizes the Superintending Engineer, 8th Division, to expend Rupees 1,800, from the Discretionary Allowance for the Madura District, on the road from Trichinopoly to Palamcottah, in addition to the maintenance grant of Rupees 12,000 provided in the Budget for the current year.
