Dated <u>12-1-</u>	<u>1865.</u>

*Proceedings of the Madras Government, Public Works Department,
12th January 1865.*

Read the following papers:—

No. 200. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp Calicut, 23th November 1864, No. 191:—

SIR,

* No. 103, dated 15th September 1864.

1. I have the honor to forward an original letter* from the Executive Engineer in charge of Neilgherry Range, wherein he requests that

the permission of Government may be obtained for the prosecution of Tiroomallay Gounden, a Stone-cutter Maistry, for breach of contract, copies of which, and of the Security Bond, &c., are also submitted for information.

2. I was cognizant of, and approved, this contract before the first payments were made on it; and I have ascertained that Major Farewell has given the 14 days' notice required, of his intention to take the work out of the Contractor's hands, before proceeding against him. And I decidedly recommend that Tiroomallay Gounden be proceeded against for the full penalties he has incurred, in the belief that he has deliberately neglected the work for which he has taken advances, having for a long time monopolized the services of all stone-cutters on the Hills by sub-contracts, and taken up such other private work as has offered. Major Farewell is now independent of him; but besides desiring to recover his advances, thinks it right that an example be made to warn other Contractors on the Hills, who are in the habit of evading performance of the engagement they enter into.

Referred to the Government Pleader for opinion.

CHEPAUK,

2nd December 1864.

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government, P. W. D.

To the Government Pleader, with four enclosures, to be returned.

No. 201. From C. DALE, Esq., Government Pleader, Madras, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 3rd January 1865, No. 1.

SIR,

1. I have the honor to acknowledge the receipt of the Proceedings of Government under the date noted in the margin, and assuming that all conditions which on the behalf of Government

should have been performed have been duly performed, and that clear evidence can be adduced to prove with precise dates the exact nature and extent of the works the Contractor was required to do, as also the nature and extent of the works which the Contractor has executed, as also what has been left unexecuted, and that the requisite notices have been given, I advise the Contractor should be sued on his Bond.

2. At the hearing evidence should be tendered to prove the execution of the Bond and of the other two papers and the several particulars to which I have referred in paragraph 1.

3. I return the several papers which accompanied the Proceedings noted above.

No. 202. ORDER THEREON, 12th January 1865, No. 93.

1. The Superintending Engineer, 7th Division, is authorized to prosecute Tiroomallay Gounden for breach of contract.
