*Proceedings of the Madras Government, Public Works Department,
7th April 1865.*

No. 116. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E.; Secretary to Government, Public Works Department, dated Madras, 31st March 1865, No. 2,871 :—

SIR,

1. With reference to paragraph 1 of G. O. dated 2nd March 1865, No. 566, I have the honor to report that it appears probable there will be a saving of about 80,000 Rupees in the charge for Establishments of the current year compared with the allotment* for the same.

* Allotment, ...	Rupees 13,90,097
Expenditure, ...	Rupees 9,78,259
Balance for remaining three months. ..	4,11,838

From the accounts received up to 31st January 1865, the expenditure in the first nine months of the year amounts to only Rupees 9,78,259, leaving Rupees 4,11,838 for the remaining three months, February to April 1865. The

credits already issued for these months amount to only Rupees 3,29,599, which if fully availed of will leave Rupees 82,239. Even after setting apart a portion of this amount for supplemental applications, there will be more than enough to meet the additional charges for special Establishments previously charged to works, as also the amount proposed to be reduced in the proportion of Establishment charges to be debited to Local Funds, viz., Rupees 43,535.

2. It appears, however, from G. O. dated 3rd March 1865, No. 533, that application has already been made to the Government of India for an additional grant to meet the above reduction, which if complied with will set free an equivalent sum, viz. 43,535, or as much as 50,000 Rupees for outlay on works, the difference between this sum of Rupees 50,000 and 82,000, the expected surplus will be sufficient to cover the extra charges on account of Establishments paid from estimates, as also any supplemental applications for funds which may be made in the course of next month.

No. 117.

ORDER THEREON, 7th April 1865, No. 947.

ACCOUNT, No. 14.

1. From the foregoing letter it appears that no increase is likely to be required to the current year's allotment for Establishments, and the Government of India will be informed accordingly.

received up to 31st January 1865 the ex-
