CIVIL WORKS, No. 27.

SIR,

1. With reference to paragraph 2 of your letter No. 14 A-89, dated 6th January 1865, I am directed to state that as the income derived from the rental of the stalls in the General Market, Black Town, Presidency, has hitherto been credited to the General Revenues of the State, the charges connected with its repair have been defrayed from the Imperial Budget allotment.

2. I am to add that orders have now been issued for the transfer of the Market to the Municipal Commissioners from the 1st May next.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

Proceedings of the Madras Government, Judicial Department,
29th March 1865.

No. 219. Read the following letter from Lieutenant Colonel W. J. WILSON, Commissioner of Police, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 21st March 1865, No. 31.

With reference to the Order of Government noted in the margin, I have the honor to report that the Municipal Commissioners state they are prepared to take charge of the Market from the commencement of the ensuing Budget year.

J. D., 22nd February 1865, No. 299.

2. The present system is this:—During the month of June the stalls are put up to public auction by the Commissioner of Police, after due notice published in the *Fort Saint George Gazette*. The Collector's officers are present at the auction, and after the stalls have been let, they assume the whole management as to the collection of the rents which are paid to the Collector. Distraints are also carried out by the Revenue Officers.

3. The Superintendent, who has the powers of a Police Constable, looks after the good order and cleanliness of the Market, and brings to the notice of the Municipal Officers any cases cognizable under the Conservancy Act. The Superintendent and Establishment are entirely under the orders of the Commissioner of Police.

4. It is now proposed that the letting of the stalls, the collection of the rents, and the general regulation of the Market, should be transferred to the Municipal Commissioners, together with the servants, but that the Superintendent and Peons should continue as heretofore under the Commissioner of Police, their salaries and cost of clothing being paid by the Municipal Commissioners.

5. As the Market requires to be thoroughly washed and cleaned every day, it has hitherto been found necessary to detail a working party of convicts for this duty, and I propose to continue this arrangement, except upon Sunday, on which day the Municipal Commissioners will have the Market cleaned by their own Establishment.

6. I annex a Statement showing the number and cost of the present establishment.
