*Proceedings of the Madras Government, Public Works Department,
8th April 1865.*

No. 150. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 30th March 1865, No. 6,304:—

SIR,

- 1 Plan.
- 1 Abstract Estimate.
- 1 Specification.

1. I have the honor to forward a plan and estimate, Rupees 15,400, for building verandahs on the south and east sides of the Revenue Board Office.

2. The Order of Government No. 3,366, dated 23rd November 1864, required an estimate to be prepared for a verandah on the south side only; but the Executive Engineer has, at your desire, as he informs me, included a verandah for the east face also in his estimate. An eastern verandah would, however, greatly obstruct free communication by means of the road passing between the Offices of the Revenue Board and Revenue Survey. The cost of the southern verandah alone would be 9,520 Rupees, and as I find by G. O. No. 831, dated 27th March 1865, that this is the only estimate now looked for, I solicit the sanction of Government thereto out of the Reserve for Civil Buildings in 1865-66.

No. 151. ORDER THEREON, 8th April 1865, No. 965.

CIVIL WORKS, No. 28.

1. The Governor in Council sanctions the estimate, amounting to Rupees 9,520, for the construction of a verandah on the south side of the Revenue Board Office at Chempauk.

2. The Superintending Engineer will apply for funds for the execution of the work after the 1st proximo.
