*Proceedings of the Madras Government, Public Works Department,
10th April 1865.*

No. 167. Read the following letter from Lieutenant-Colonel T. GREENAWAY, Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 25th March 1865, No. 2,823 :—

SIR,

1. I have the honor to bring to your notice that in the month of January last, when in charge of the Superintending Engineer's Office, Rupees 6-12-0 were expended by Captain Palmer for the conveyance of the records of the above Office and charged in the Contingent bill for that month, but the Controller now objects to pass the amount.

2. I am aware that charges of this nature have been disallowed from the time that travelling allowance was converted into a fixed monthly sum, but in the present case although Captain Palmer's appointment to the charge of the Superintending Engineer's Office in addition to the Range work necessitated extra journeys, he moved about on the travelling allowance of an Executive Engineer only. I therefore recommend that, as a special case, the Controller be authorized to pass the amount as a contingent charge.

No. 168. ORDER THEREON, 10th April 1865, No. 973.

ACCOUNT, No. 23.

The Controller of Public Works Accounts is authorized, to pass the charge referred to in this letter against the current year's allotment for the repair, carriage, &c., of Stores.
