*Proceedings of the Madras Government, Financial Railway
Department, 5th April 1865.*

No. 23. Read the following letter from C. N. POCHIN, Esq., Acting Collector of Salem, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Salem, 27th March 1865, No. 12.

With reference to the Proceedings of Government, dated 27th February and 11th March 1865, Nos. 139 and 164, I have the honor to inform you that the estimated charge of Rupees 5369 and 4000, for Choultries at the Railway Stations of Sooramungalum and Jolarajet, cannot be met from Local Funds sanctioned for the current year, nor has provision been made for the charge in the Local Fund Budget of 1865-66.

2. Whilst writing on the subject of these Choultries, it might not be out of place to mention that, as these buildings are expressly for travellers, it would be undesirable to meet the expense of the construction from Local Funds. I hope that this subject may be taken into consideration, and sanction for the buildings be granted from other than Local Funds.
