*Proceedings of the Madras Government, Public Works Department,
27th March 1866.*

No. 632. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department Public Works, dated Madras, 19th March 1866, No. 164 :—

1. I have the honor to forward herewith the Registers of land made over to the Company under classes A. and B. in February 1866, in the Kurnool District, together with a bill for Rupees 66-3-2 for compensation to be paid thereon, and to recommend their sanction.

2. The class B. land was included in the Register for September 1865, but this land was then supposed to be Inám, and other lands was granted to the owner in lieu of it. Now, however, it is proposed, as the land turns out to be assessed as "dry," to pay compensation for it to the amount Rupees 10-11-8 entered in this Register. The land was actually made over to the Company in July 1865.

No. 633. ORDER THEREON, 27th March 1866, No. 1,003.

CIVIL WORKS, No. 78.

The bill for Rupees 66-3-2 is sanctioned.
