From the Collector of Tanjore, to the Consulting Engineer for Railways, dated Vallam, 3rd March 1866, No. 243.

1. I have the honor to state that certain lands required for the Railway, under classes B. and D. in this District, have been taken up for annual rents instead of being purchased outright. These lands with the amount of annual rent payable for them have been shown in the prescribed Registers submitted for the several quarters in which they were respectively taken up, but of the total amount of rent

for all such lands, viz., Rupees 419-7-8,
only Rupees 361-5-11 have been sanctioned in the Proceedings of Govern-

ment noted in the margin, the difference having been omitted apparently by oversight.

2. The aggregate amount of rent paid on account of these lands since they were taken up, and up to the Fusly year 1273, is Rupees 1,649-11-11, and deducting from this Rupees 361-5-11 sanctioned for the first year, *minus* a portion of it, viz., Rupees 10-10-6, due for land not occupied by the Railway Company but re-transferred to the owners, there remains a balance of unadjusted payments on account of this item, to the amount of Rupees 1,299-0-6, as shown in the detailed statement herewith submitted.

3. Hitherto, it was not considered necessary to obtain special sanction for these annual payments of rent once sanctioned, but, as under the system recently introduced, all payments require to be adjusted by passed bills, I beg to request you will be pleased to obtain the sanction of Government for the sum of Rupees 1,299-0-6 above specified, and for which a bill in the prescribed form is also herewith enclosed.

4. This, as already stated, includes payments made up to the Fusly year 1273, and as those for the past Fusly 1274 have yet to be made, I beg to submit also another bill for the same, viz., Rupees 408-13-2.

1. In reply to a reference from this Office, Mr. Banbury, the Officiating Collector, writes—

“ It is only the sum due for the past Fusly year 1274, viz., Rupees 408-13-2, as specified in paragraph 4 of the letter referred to, which yet remains to be paid, and this payment can be made from the Budget grant of 1865-66. The other sum of Rupees 1,299-0-6 has, as stated in that letter, been already paid at the close of the several years to which it refers.”

2. I recommend that sanction be granted for the disbursement of the sum of Rupees 408-13-2, and for the adjustment of the sum of Rupees 1,299-0-6, already paid.
