*Proceedings of the Madras Government, Marine Department,  
27th March 1866.*

---

Read the following letter from the Superintendent of Marine, to the Chief Secretary to Government, Fort Saint George; dated Madras, 23rd March 1866, No. 1282.

I have the honor to inform you that the wreck of the barque *Era*, which was stranded in November 1864 near the Pier, has resisted all ordinary efforts made to remove it. Sand has accumulated over and around it, causing the beach near the Pier to silt up, a result which every endeavour should be made to avoid. I solicit therefore that the Public Works Department may be instructed to blow up the wreck, the expenses being paid as far as practicable by the sale of the parts of the wreck recovered, and any balance not so paid being chargeable to the Port Fund.

ORDER THEREON, 27th March 1866, No. 80.

Communicated to the Public Works Department, whence the necessary orders will be issued for carrying out the measure proposed.

(True Extract).
