Read Supplemental Local Fund Budget for 1866-67, received from the Collector of Bellary, dated 2nd February 1866.

1. In the foregoing Budget, the Collector of Bellary proposes certain additional repairs for execution during the official year 1866-67, out of the balance of Rupees 7,280, estimated to remain at credit of the District Road Fund at the close of 1866-67. The cost of the works now recommended amount to Rupees 5,210, and they are to be executed through the agency of the Public Works Department. The Board approve the proposal, and resolve to submit the Budget for the sanction of Government.
