No. 103. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp, Coonoor, 26th March 1866, No. 312:—

I have the honor to request you will be good enough to return to me the plans and estimates of the Convict sheds, Rupees 3,000, sanctioned in G. O. No. 910 of 21st March 1866, paragraph 3. It is necessary to commence the sheds at once, or else their construction must be postponed till after the monsoon.

No. 104. ORDER THEREON, 9th April 1866, No. 1,078.

CIVIL WORKS, No. 14.

The plans and estimates which are applied for in this letter will be furnished to the Superintending Engineer of the 7th Division, with an intimation that it is not likely that the Government will be in a position to allot funds during the current official year for the construction of the Convict sheds, the estimate for which was approved in the Order of the 21st March 1866, No. 910. The work may, however, be proceeded with if Colonel Walker can provide the amount that is required from existing allotments.
