MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the Superintending Engineer, 4th Division, Camp Arconum, Wallajah Taluq, North Arcot District, 15th March 1866, No. 4533; to the Secretary to Government, Department Public Works.

In conformity with the order conveyed in Proceedings of Government, No. 726, dated 16th March 1865, I have

1 *Plan.*

1 *Estimate and specification.*

the honor to forward a plan, signed by the Officiating Commissary General, and

an estimate, Rupees 19,840, for making the necessary alterations and additions on the criminal side of the Grand Jail at the Presidency, to fit the accommodation for the reception of Commissariat Stores, in the manner detailed in the accompanying specification.

2. It will be seen that about one-half of the above sum is required to provide a tramway from the Jail to the beach, with turn-table, and a small shed at the beach. The remainder is required for removing all interior division walls, general repairs, constructing surface drains, erecting a Guard-room, a bullock and cart-shed, a wooden bridge, new gateway, &c. Trucks to run on the tramway, have not been provided in the estimate.

3. Adverting to the latter clause of paragraph 1 of the G. O. under reply, I have to observe that the criminal portion of the Grand Jail should be ready to be handed over to the Commissariat Department three months after the date of sanction of the estimate.

4. With reference to paragraph 2 of the G. O., I will place myself in communication with the Commissary General as regards the site of the future cooerage.

5. Sanction is requested to the estimate, Rupees 19,840, but it is believed that on actual execution the cost will be far less, as the rates for the tramway and turn-table are extraordinarily high. The rails moreover will be obtained from the Public Works Stores.

6. An entry, Rupees 9,500, stands in the Budget of 1866-67 for this work, which I request may be altered to Rupees 19,840, and that funds may be transferred from other sources to meet the enhanced amount.

7. Permission is required for the removal of the 'Gallows' and for setting them up again at the Penitentiary.

Referred to the Military Department, with reference to the orders in that Department, No. 934, dated 8th March 1865.

(Signed) C. A. ORR, Colonel, R. E.,
