*Proceedings of the Madras Government, Public Works Department,
14th April 1866.*

No. 242. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 28th March 1866, No. 4,730.—

1. I have the honor to forward a Petition, in original, from C. Parthasarthy, Overseer of the Polur Taluq, in the District of North Arcot, requesting that

subsistence allowance may be granted to him for the period of his being out of employ, he having been dismissed under the Order of Government, No. 473, dated 16th February 1864, and reinstated in G. O. No. 3,081, 16th October 1865.

2. The spirit of the G. O. G. No. 2,528, dated 26th September 1865, communicated in the Order of this Government No. 3,387, dated 11th November 1865, would seem to apply to Parthasarthy's case, and I recommend that he should receive full salary with travelling allowances for the period that he was employed delivering over charge of his Taluq, and subsistence equal to one-fourth of his salary during the remaining period of his being out of employ, and I request that the Controller may be authorized to pass such charges on the abstracts being presented to him.

Petition from C PARTHASARTHY, Naidoo, Overseer, in charge of Polur Taluq, North Arcot, to the Superintending Engineer, 4th Division, dated Arcot, 17th February 1866

1 That your honor's Appellant most respectfully begs to bring the following circumstances to notice for your kind consideration, with reference to the Proceedings of the Madras Government, dated 15th November 1865. As your honor is well aware that the Appellant having served under your orders for upwards of 13 years in the Department, and having, through misfortune, been summarily dismissed, after being transferred to Combatore, in the month of February 1864, and having been engaged for nearly *two months* (March and April 1864,) *in delivering over charge of the Taluq without any subsistence allowance*, during which time, in order to support himself, he was obliged to dispose of all his little property for the purpose of procuring the necessary of life.

2. That your Appellant was engaged for a period of about 18 months, for the purpose of supporting his Appeal to the Madras Government, in getting information, to be forwarded through your Office, rebutting the charges preferred against him, which he has been fortunately enabled to do through your honor's favor, your Appellant, therefore, most humbly and respectfully begs your honor's kind intercession in obtaining for him the subsistence allowance, generously granted by Government* to unfortunate Subordinates who may have been suspended, or dismissed without just cause.

* Vide G. O. G. No. 2,528, dated 26th September 1865.

3. In conclusion, your honor's humble Appellant most respectfully begs that, in consequence of being out of employ during the period above named, viz, from March 1861 to October 1865, he had unavoidably incurred debts for his due subsistence; he earnestly prays that in consequence of being reinstated now in the Department agreeably to G. O. No. 3,081, dated 16th October 1865, he may now meet your honor's consideration in obtaining for him the allowance he lost by his unfair dismissal from the Department—for which act of kindness, he shall, as in duty bound, ever pray.
