No. 258.

ORDER THEREON, 14th April 1866, No. 1,152

ACCOUNT, No 24.

1. The grants for *Repairs other than Military* which were shown in Statement No. II., submitted with the letter from the Superintending Engineer of the 3rd Division, No. 229, dated 8th March 1866, as not required for expenditure under the heads and in the Districts to which they had been originally assigned, amounted in the aggregate to Rupees 10,413.

2. In the orders of Government under date the 22nd March 1866, No. 926, the whole of this amount was transferred to the Bellary District for appropriation to Agricultural Repairs, under which head the Superintending Engineer applied for an additional assignment of Rupees 17,290.

3. The amount surrendered by Major Moberly from his allotment for Repairs other than Military having thus been exhausted, and no money being available from the assignments to other Divisions, the Government were unable to allot the further grants which were applied for in Statement No. IV. It will now be intimated to the Superintending Engineer of the 3rd Division, that there are not likely to be any funds at the disposal of Government during the remainder of the current official year for appropriation to *Repairs*.

4. The sums which were transferred from the 3rd Division in the orders of the 22nd ultimo, already quoted, are as follows. —

From New Works, Military	Rs.
From Repairs, do.	10,840
From New Works, Civil	2,310
...	1,158

5. The first and third of these grants being portions of the allotment for *New Works* in this Presidency, were not available for appropriation to *Repairs* without the special sanction of the Government of India, who have more than once requested that such transfers may be avoided. The other grant noted above could not be diverted to *Repairs other than Military* without a reference to that Government accompanied by full explanation of the necessity for the transfer.

6. The proposal which is contained in paragraph 4 of the Superintending Engineer's letter is approved.
