MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Quarter Master General, Fort Saint George, 26th March 1866, No. 3323;
to the Secretary to Government, Military Department.

With reference to my letter No. 1898, dated 15th ultimo, recommending that the five Duff's cooking ranges adverted to, should be put up in the new Dragoon Barracks at Bangalore, I have now the honor, by desire of His Excellency the Commander-in-Chief, to report that the Officer Commanding the Mysore Division represents that the 16th Lancers are very well pleased with Grant's cooking range. They find it sufficient for the Regiment, and to afford a variety of Messes cooked in a cleanly manner.

2. Under these circumstances, the Commander-in-Chief would now advise that the Grant's Range be put up in the race course Barracks for the Cavalry; and that the five Duff's ranges be erected at the present Dragoon but future Infantry Barracks.

3. The building in the present Dragoon Barracks in which the Grant's range has been placed, should be converted into a Lavatory.

ORDER, No. 1251, 9th April 1866.

Approved, and communicated to Department Public Works.
