*Proceedings of the Madras Government, Public Works Department,
26th May 1866.*

No. 629. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 10th May 1866, No. 4:—

1. In the Statement showing the maintenance grants for roads which are included in the allotments in Part III. of the Budget* under the head of "Communications" (Minor Repairs), gravelling the crown of the Nellore Anicut, Rupees 800, is included, but as the toll collections are credited to the "District Road Fund" it would appear that the above amount should be considered as a local and not an imperial work.

2. The item for repairs to ferry boats on the Soornamooky and Pennair rivers (Rupees 488) is not needed, as it has been ruled by the Revenue Board that the boats are not necessary.

3. Under these circumstances I request that the sum of these amounts, viz., Rupees 1,288, may be transferred to the head of Irrigation Minor Repairs in the Nellore District.

No. 630. ORDER THEREON, 26th May 1866, No. 1,676.
